

CIRCULAR TO PARENTS

Age Group: 8 - 15 Year

23rd of November, 2021

Dear Parents,

Dubai STEM Olympiad 2022

In the spirit of Innovation, Premier Genie together with scientific communities and other technologically focused organizations across the world is pleased to present Dubai STEM Olympiad 2022, an innovative challenge bringing together students from Year 4 – 9 (8 years to 15 years of age group) to participate in a competition across schools in Dubai.

Junior: Age 8-10 | Intermediate: Age 11- 13 | Senior: Age 13 above - 15

The STEM (an acronym for Science, Technology, Engineering and Mathematics) Olympiad will bring together creative minds and get them to solve mathematical and science related challenges over a two-part event. The details of the topics and events timeline are in the website: www.dubaistemolympiad.com.

Parents can register for the event by returning the acknowledgement slip with a 150 aed participation fee. The fee includes *3 hours complementary STEM Training*.

Qualifying Round (online): March 2022

Registration Deadline: 15th Of February 2022

Final Round: June 2022

Participation fee: 150 AED per student

Qualifying rounds will take place online. Students will receive USERIDs and PASSWORDS as they will participate in an online competition. Selected students from the Qualifying Round will be invited for the final round, which will take place in an Auditorium or an online event in June 2022. Finalists will compete in a 5 hours event solving a science challenge using innovative tools, science, technology and mathematics. The most innovative solutions will be awarded a range of exciting prizes. All students will be awarded a certificate of participation. Scientists and eminent personalities will be present at the final event to talk to the students and discuss a wide range of aspects focusing on science and technology.

Premier Genie is excited to present this innovative event, the first of its kind, at a junior level in Dubai. We do hope that you are equally excited and would encourage your children to participate.

Good luck to all students.
